

Hello glad you decided to get to know me, my name is Linda Sivley aka **Lois Lane** and I am happily married to Superman. We are both Insulators & I have been an insulator for 20 years. We met at work in Florida at Port St. Lucie Nuclear Plant. A year later, we ran into each other again at Ft. Calhoun Nuclear Plant in Omaha Nebraska where we started dating and in 2000, we were married at my family's church in Cincinnati Ohio. My father performed the ceremony. We then bought a home and settled in Hartselle AL. near Superman's family.

Ruby Falls 2006

Haley 13 and little sister Madison 5

Our greatest adventure was our job in Antarctica for 10 months; we were there for the summer of 04/05 and the winter of 2005.

Insulating in the summer
in Antarctica I am lying
on the ground

Winter in Antarctica flagging the road across the Ross Ice Shelf to Black Island
Yes, that is ice on my eyelashes. It was -54 that day. The light is from the headlights of the piston bully (our transportation on the ice)
